SUMMER CAMP

CAMPAMENTO DE VERANO - 夏令营 - CAMP D'ÉTÉ

Our campers will explore a window of colorful adventures and creative summer days with Key Element Learning's educational based summer camp curriculum. Our founding principle of curriculum is that children experience the deepest, most genuine learning when they have fun, so our summer camp fosters theme-based and play-based learning opportunities inside and outside the classroom. We've created a variety of programs so our children will have the chance to dive into fun new activities every day. Theme-based format contains a variety of activities including Language Arts/Literacy, Math, Science, Creative Arts, Music, Yoga, Soccer, Dance, Creative Movement, Chess, Robotics as well as free play and socialization.

Campers will explore new languages (Mandarin Chinese, French and Spanish) and develop their second language skills at all levels with our highly qualified native-speaking teachers. Our curriculum addresses all aspects of language: listening, speaking, vocabulary building, and most importantly, a lifelong interest in other cultures.

Campers will go to park and neighborhood walk daily. We have frequent events, activities, water days at Morris Canal Square Park, Van Vorst Park and Hamilton Park. Fun field trips will be scheduled for each month.

## FEATURES OF KEL SUMMER CAMP

- KEL families know that their children are engaging in active learning activities designed to help them thrive academically, physically, socially, and emotionally.
- Our highly trained team has their extraordinary quality to help children feel challenged, happy, safe and loved.
- The best teacher-children ratios found in downtown Jersey City to provide the individual attention, nurturing and exploratory opportunities that lead the youngest member of our school to flourish.
- KEL's philosophy centers on bilingual education (Mandarin, French and Spanish), supportive relationships, intellectual curiosity, and an engaged community.
- Delicious and nutritious meals and snacks plan from Simply Gourmet and daily updates from Brightwheel app.
- We are driven by what parents want most for their child: to be happy, safe and successful in school and beyond and to be cared and nurtured as "the whole child".
- KEL's creative curriculum includes language art, math, science, social study, sensorial, music, movement, technology, and languages and variety of enrichment classes.
- Our Campers will have many opportunities to explore nature, have daily outdoor fun activities and theme-based field trips.  
June: Fire Fighters Memorial Fire Station; Liberty State Park
